Click on "Save as", to save your custom filter for later reuse.

The screenshot displays the 'Issues' section of a web application. The interface includes a sidebar with navigation icons and a main content area. The main area features a filter bar with the following elements:

- A dropdown menu showing 'Active reports & mandatory camp and markt withdrawal' with an 'Edited' status.
- A 'Save as' button, highlighted with an orange circle.
- A 'Filter details' link.
- A 'Clear filter' button.
- A search bar labeled 'Search...'.
- A filter for 'Issue type' with a count of 3.
- A 'Sort by' dropdown set to 'Last update'.
- Filters for 'Medicine', 'Organization', 'Status' (with a count of 1), and 'Last update'.
- Filters for 'Created', 'Published' (with a count of 1), and 'Legally valid dispatch'.

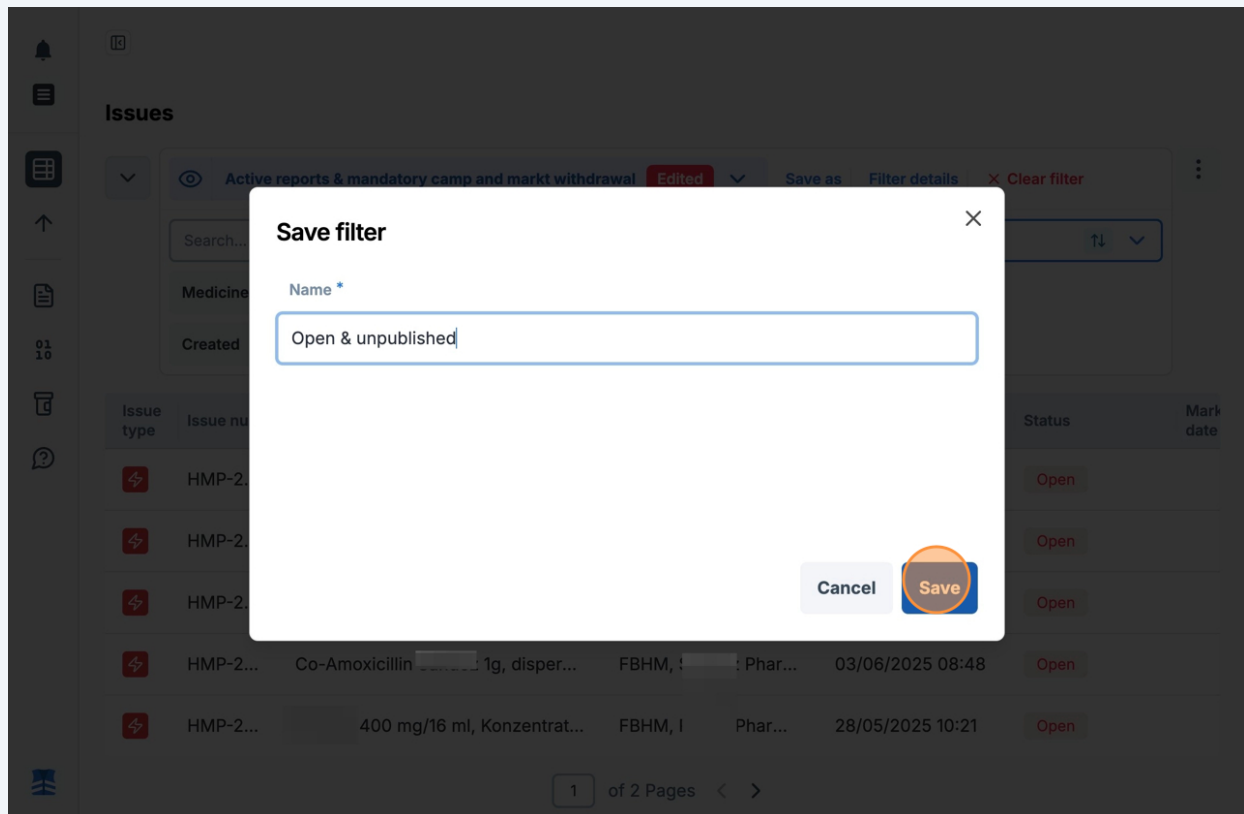

Below the filter bar is a table of issues. The table has columns for 'Issue type', 'Issue number', 'Last update', 'Status', and 'Mark date'. The 'Published is' dropdown menu is open, showing 'Yes' and 'No' options, with 'No' selected.
